

My Passion

- Cross Culture Communication - Studied in Japan for 1 year and produced cultural videos bridging Chinese stories for global audiences
- Fearless Adventure - Travelled over 6 countries and changed academically from Japanese studies to business analysis
- GTM Strategy Analysis - Led a team to build go-to-market strategy for space-grade computing at NUS
- Beauty & Aesthetics Enthusiasm- Passionate about fashion, beauty, and visual aesthetics, always exploring trends across cultures

Strengths

- Fast learner — pivoted fields, won NUS Jumpstart Pitch Day 2025
- Quad-lingual — CN, JP, EN self learning French, being able to connect with L'Oréal's roots
- Strategic communicator — from satellite tech to cultural content

Aspiration

Empower people across cultures to discover and embrace beauty, creating value that goes beyond products and into purpose.
