

Glow & Go

Your Airport Skin Reset

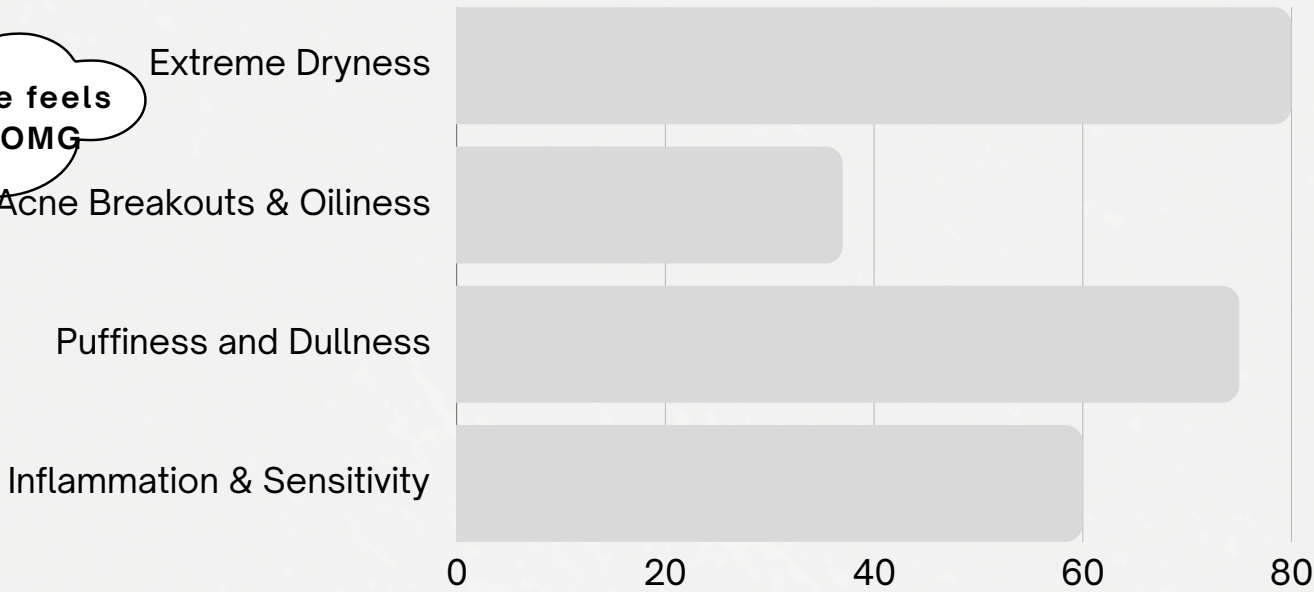

Zou Wenxuan Kaia

Why Gen Z is not buying?

- 1 Gen Z travellers are constantly on their phones.
- 2 Travel Retail feels irrelevant (seen as luxury/gifting channel)
- 3 No urgency to buy at the airport when they can buy at home

Common In-Flight Skin Problems

Product Insight

Factor	Hyaluronic Acid	Glycolic Bright
Pain Point Fit (Flight dryness / fatigue)	5	4
Immediacy of Effect	5	3
Visual Impact (shareability)	4	5

Scan Your Skin, Save Your Glow

Turn waiting time into a quick skincare experience for Gen Z travellers.

- ① **Stop**
30-second face scan at the in-store kiosk
- ② **Diagnose**
AI measures hydration level, skin barrier, and dehydration zones
- ③ **Prescribe**
Personalised result: the exact Hyaluronic Acid product your skin needs
- ④ **Share**
Branded result card sent to the phone, ready to post on social media

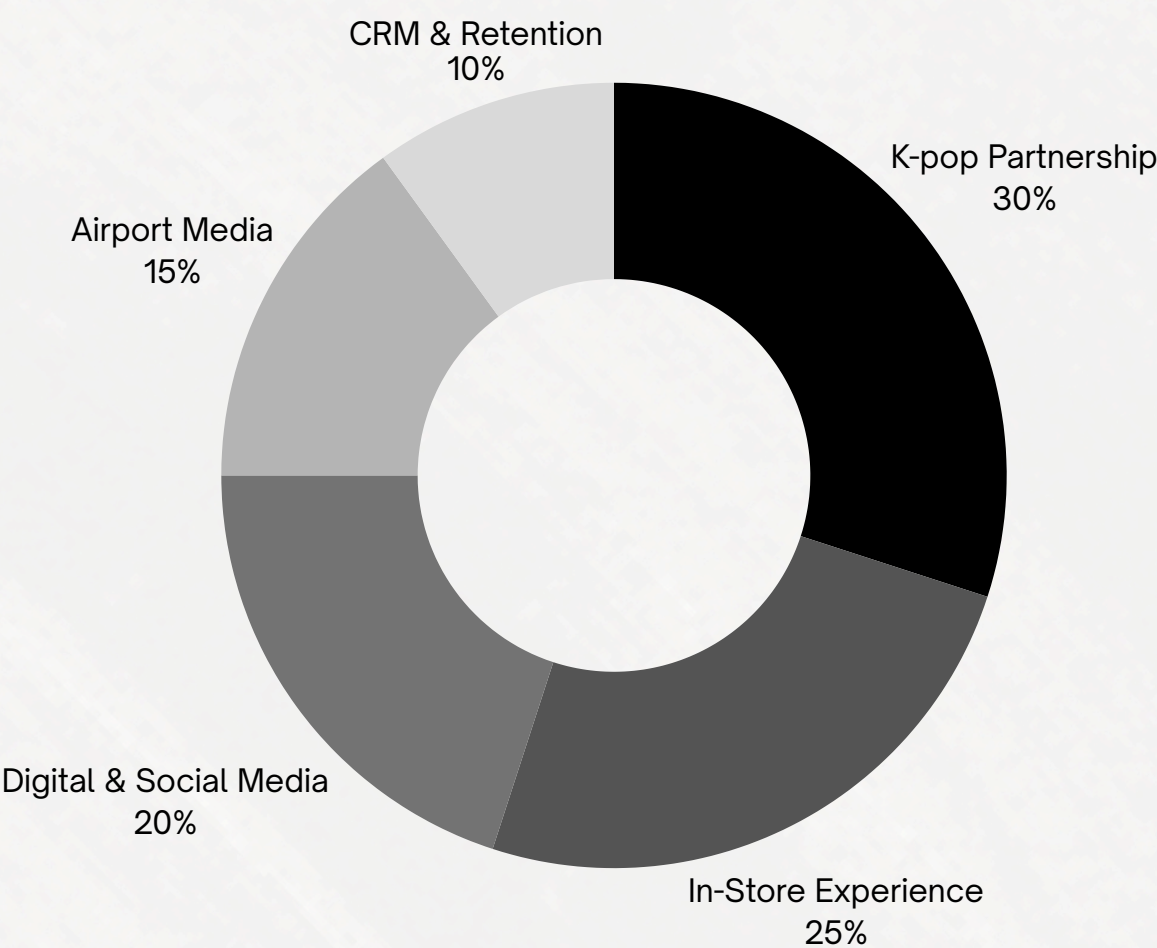

Glow with your Idol

- 1. **In-store Video Loop**
K-pop idols appear on screens at the L'Oréal Paris counter, sharing their "glow secret" — the Glycolic Bright range
- 2. **Social Challenge**
Idols invite fans to post their own "glow reveal" try-on content using the branded hashtag #GlowWithMe
- 3. **Reward Mechanism**
Post with #IdolGlowEffect + tag @LOrealParis → receive an instant discount code at the counter
